

# C.L.A.S.S. OF 2007 HONOR ROLL

C.L.A.S.S., celebrating its seventh successful year, recognizes and rewards those individuals who make a special effort to excel in several areas that help CPG succeed: Customer Satisfaction, Longevity, Attendance, Safety and Substance Free.

This "Honor Roll" pays tribute to the many individuals who gave their best during 2007. Congratulations!

## CPG “Team of the Year” Award

CPG’s “Team of the Year” Award for 2007 recognizes the city which best exemplifies ContainerPort Group’s Mission Statement: “Become Intermodal’s Best By Achieving Excellence In All We Do.” Many CPG teams made considerable progress in 2007 and for that, we’re very proud. One city, however, really stood out and went “above and beyond” our expectations. Congratulations are in order for our Winning City for 2007:

**INDIANAPOLIS!**

Indianapolis was our shining star for the year, due in large part to the award-winning combination of outstanding customer service, and – most importantly – working together as a team. Indy’s Terminal and Transportation services worked collaboratively to consistently provide quality service to our customers. **THANK YOU, Indianapolis, for a job well done!** We look forward to celebrating your success with you and your guest at the special “Team of the Year” event on June 7.

C.L.A.S.S. also recognizes those CPG team/teams which made Significant Improvement or attained Outstanding Achievement in relation to our company’s Mission and Values. We are pleased to again recognize:

**DETROIT** – Significant Improvement Award for continuing to improve overall efficiency, customer service, and exemplify the Company’s Mission and Values.

## Longevity Award: Celebrating Anniversary Milestones

This category salutes our anniversary milestone achievers. Your dedication and commitment to your job contributes to the success of CPG. All milestone achievers receive a commemorative certificate. Five year-plus achievers receive a CPG logowear voucher. Congratulations to all!

# Safety Award: Keeping Our Workplace Safe

CPGSafe, our safety training newsletter, addresses depot and terminal service operation safety topics. The CPGSafe program reinforces the importance of safety as a CPG core value – and encourages our mechanics, inspectors and equipment operators to work safe and smart. Participants receive \$25 gift cards for every three months of participation. Individuals who participate for 12 (24, 36, etc.) consecutive months earn CPG logowear. CPGSafe participants are listed below. Our statistics show steady improvement in working safe, and prove that working safely can happen when we focus on and participate in safety awareness. We look forward to continued CPGSafe success as we go forward.
